THE WOODBURY GARDENS NEWSLETTER

WELCOME TO FEBRUARY!

January's weather has been difficult, to say the least! We have been working diligently to make it easier for you to get around safely. Dave and the Snow Plow people have done an excellent job under some very difficult conditions. We want to thank the community for their cooperation and patience. Unfortunately, we are still expecting a very snowy, and cold, rest of the winter. Please continue to cooperate with us when we ask you to move your cars from SNOW spots prior to predicted storms. Be respectful of your neighbors and park in your own spots during a snowstorm as we have a very limited number of VISITOR spots. Don't forget to grab some ice melt from the sheds, watch out for icy spots and stay warm. The Board is here to help you, so if you need help, please reach out to one of us.

Thank you to Bob DeLorenzo for his years of service to our community as a Board Member. We would like to introduce Virginia Giustino as our newest Board Member who will be taking his place. For those of you who attended our luncheon and presentation by the Bristol and Elegance At Home, it was very important and informative. The food was very good and the cookies were great. We will continue to bring you useful presentations throughout the year. We are working on a plan to repair the balconies which will begin in the Spring. In the meantime, Spring is right around the corner. Stay safe and stay warm.

Your Board

Mother Nature is still in that snowy mood, so...

- ❄️ **If you are going away for more than 3 days or during a predicted snow event** and are parking next to buildings 3, 4, 5 or 6 (that's the Fox Hollow and Eagle Rock sides), you **MUST** leave your key with a Board member in case it needs to be moved. Cars in those roadways make it more difficult for our snow removal team.
- ❄️ **If you have one car and your unit faces North**, we know that it takes longer for the snow and ice to melt. **DO NOT** move your car into a VISITOR spot so the Sun can melt the snow and ice away. First, it doesn't work that fast and second, you are taking away a spot that would go to someone who legitimately needs to use it.
- ❄️ **DO NOT use a neighbor's spot** if they are away, or the unit is vacant, **UNLESS** you have made a prior arrangement with them and have told the Parking Commissioner about it.
- ❄️ **WHERE DID YOU PARK?** Please ask your visitors where they parked.
- ❄️ **If you need your car cleaned off after a snow event**, John at “3 Sons” will do that for \$20 cash. Call him at 516-238-2115. Give him your unit number and phone number. You **MUST** call him first.
- ❄️ **Also, DO NOT ask any member of the snow removal crew** to do any additional work. Please allow them to do their job.
- ❄️ **For ANYTHING Parking related**, please call the Parking Commissioner.

February 2026 Calendar
