WELCOME TO APRIL!

Finally done with snow (we hope!). It was a very harsh winter and our snow company did a commendable job making sure we could all get out and around. During the Spring, we will begin to repair our balconies, fix the cracks in the roadways and clean up gardens, trees, landscape and plant our beautiful flowers.

We want to encourage those of you with downstairs apartments to plant some flowers and take care of the gardens in front of your apartments. Help beautify our community. Remember, NO TOMATOES or VEGETABLES either in the garden or in pots on your patio. They WILL attract rodents. Speaking of which, please bag your garbage when putting it in the dumpster. That also attracts rodents. Please adhere to the parking rules as the snowbirds are coming back from Florida. We have had problems with people parking in VISITOR spots for more than 3 days.

Join us at our new social events: New and Improved Bingo, Trivia and Musical Entertainment. It is always a nice time to hang out with friends and enjoy the day. Guests are welcome. Bring a friend! If anyone is interested in helping on the Entertainment Committee, please let us know. We are always looking for volunteers and fresh, new ideas.

On May 5th at 6 PM, we will have a General Meeting in The Clubhouse. We will present the 2025 Financial Statement and discuss issues related to the Community. Hope to see you all there.

PLEASE NOTE: Dave will be out for the next month or so. We have arranged for Rudy to be available when needed and will also be taking care of the pool. Please call Rudy at the same number for maintenance.

IMPORTANT STUFF TO REMEMBER

- ❄ **Our website is ONLINE!** Please direct your browser, on your desktop or mobile device, to **WoodburyGardens.org**. We are populating the site with more content each week, so they'll be plenty to look at. We will also be placing the top events and news on our homepage. So, come visit often as we built it for YOU!
- ❄ **What happened to Spring?** The switchover from HEAT to AIR CONDITIONING is beginning to happen now. Don't wait until it gets too hot. Please check your HVAC unit to make sure it will produce cool air when needed. And don't forget to change your filter. A clean filter helps to keep it efficient. Waiting too long can be very costly to you, and the last thing we all need is extra costs in this expensive economy we find ourselves in.
- ❄ **And don't forget your vehicle needs some TLC** after this rough winter we had. Have your tire pressure checked, oil and other fluids topped off, and take it for a good cleaning at your local carwash. All of these things will help extend the life of your vehicle, and keep it looking spiffy and ready for anything you've got planned.
- ❄ **For ANYTHING Parking related**, please call the Parking Commissioner.
- ❄ **We are hoping to begin the process of repairing our balconies soon.** When the time comes, the downstairs units must keep their patios clear so that the repairs can be done as quickly as possible. Please be ready to clear out any items that may get in the way when your turn comes up. We thank you for your cooperation.
