WELCOME TO JUNE!

This month's newsletter is about WELLNESS CHECKS.
We constantly stress watching out for your neighbors! In the past couple of months, we have had to do a number of wellness checks and it is very important that we discuss this. If you suspect that someone is in their apartment and you haven't seen them in several days, their car hasn't moved or there are packages in front for days, then give them a call, ring their doorbell, but do not go in! Time to call a Board member and ask them to have the police do a wellness check.

The Board member will get the key and meet the police at the apartment. This is the reason we ask that you give the Board the correct keys (storm door as well as front door) and the lockbox or digital lock combinations. It will save precious time, and money, to ensure that the Police or Fire Department doesn't have to break down your door. The Board will be following up with everyone to make sure we have the keys and combinations.

Dave is not back yet as he continues to heal. We have backup to keep things running, but we expect him to return soon. The balconies are scheduled to begin in late June. Balcony assessments will begin July 1.

No fruits or vegetables on the porch or balconies. They ARE attracting animals! Please remove them as soon as possible.

Thank you! The Board

IMPORTANT STUFF TO REMEMBER

Visit our website at **WoodburyGardens.org**

- ❄ **LOOSE FOOD IN OUR DUMPSTERS:** We have noticed a significant increase in the amount of loose food and waste being placed into our dumpsters. **THIS IS PROHIBITED!** All garbage, regardless of what it is, needs to be properly bagged, boxed, or otherwise contained so that it is not going into the dumpster loose. Rodents, vermin and other creatures that feast on that stuff are returning to our development and it becomes very smelly. We went through a major effort last year to reduce and eliminate these pests, and we need your help to keep them at bay. When disposing of any type of trash, please remember there are **TWO** sliding doors on each side of all dumpsters in our development. **USE THOSE** to throw your stuff out. **DO NOT** leave anything on top of the dumpster, in front of the dumpster, or hanging from the top where some people have been opening the top cover, and leaving the garbage bag hanging. **PLEASE DON'T DO THAT.** Your cooperation is so needed to prevent a recurrence of those crawly creatures coming back into Woodbury Gardens.
- ❄ Please don't walk your dog on the premises and do not forget to bring a poop bag. **YOU MUST CLEAN IT UP** after your dog is done.
- ❄ And please note that our speed limit is **15 MPH** and we have **STOP** signs throughout our co-op that need to be adhered to. Too many people have been seen just driving through a stop sign or speeding as if there are no limits. You don't want to be the cause of a fender bender or worse. **PLEASE BE THOUGHTFUL OF OUR RESIDENTS!**
