WELCOME TO MAY!

Welcome home Snowbirds! You missed one very cold and snowy winter! Now that you're back, remember the 3-day parking rule as our visitor spots will be in short supply. The speed limit in our community is 15 MPH. Please make sure you and your guests obey the speed limit and the stop signs. Also, notice we have new incoming gates. Please stop knocking them down! They were knocked down 3 times in April! The outgoing gate was removed as it was not letting people out. There are numerous cracks in our roadways, they will be repaired shortly as well as a touch up of the striping and walkways. Soon we will be planting our Spring flowers to brighten up the community. We know you are all concerned about the balconies. We are working diligently on repairing them so you can use them as soon as possible. Our recent entertainer, Mary Sollitto, had the place rocking the other night. A big thank you to our new Bingo team, Neal, Mike and Nina. Next Bingo is May 12th at 6:45 PM. The Fire Department is waiting anxiously for the list of Lockbox numbers. Please make sure you give those numbers to a Board member as soon as possible. We want to wish our Maintenance Man Dave well as he recovers from shoulder surgery. We hope he comes back very soon. Please visit our new website at **WoodburyGardens.org**, where there will be valuable information and updates about the various activities and issues affecting our community.

Thank you!

IMPORTANT STUFF TO REMEMBER

Visit our website at WoodburyGardens.org

- ❄ **Speeding? Seriously?** Our speed limit is 15 MPH. Not 30, and certainly not 40. Yes, there are people in our development, both residents and visitors, that don't understand **YOU NEED TO SLOW DOWN**. There is nothing you have to do that is so urgent, you'd risk hitting another vehicle or a human! So, please be careful and watch your speed.

- ❄ **And speaking of speed,** PLEASE slow down when you are entering Woodbury Gardens! We've had a gate arm knocked off three times last month. Yes, people are actually crashing into the gate arm as it rises to let you in. Not sure what the big hurry is, but waiting just a second more would prevent this from happening altogether. Look at the picture and you'll see that there's no arm in the white circle. These arms are not indestructible, so please be careful and **SLOW DOWN**.
