WELCOME TO OUR SUMMER EDITION!

Woodbury Gardens is a large, vibrant community of seniors. This is your community, which means that we are all responsible for our neighbors and the preservation of Woodbury Gardens. Our rules have been in place over 25 years for our protection and to add to the quality of life for us all. Too many people have not been obeying our rules. We can't have peppers, cucumbers or any vegetables in our gardens or in pots on our patios or balconies. They attract rodents and they get into our homes! Bird feeders are nice and our feathered friends love them, but standing water attracts mosquitoes, rodents and other furry creatures.

Please obey the stop signs and don't speed! The speed limit is 15 mph. This is for your protection. We have had numerous accidents in the past and people have even crashed into our apartments. You can't park for more than 3 days in a visitor or snow spot, and no commercial vehicles overnight. Many of our new residents have 2 cars which makes visitor spots scarce. We can't take over the spots of people who moved out and are looking to sell, it will diminish the value of their apartment. Previously opened attics must be sealed properly. Fire Marshall's orders. Please give the keys and lock combinations for our storm doors and front doors to The Board so the Police and Fireman have easy access to the apartments if needed. Too many instances where we have the wrong keys and the police and firemen lose valuable time. On a positive note, the repair of the balconies is beginning. We have great confidence in the engineer and the construction company we hired. We know there will be some inconvenience, which we apologize for. We are trying to get them completed cost effectively and as expeditiously as possible. Thank you for your cooperation. We want to compliment the people who have planted flowers in their gardens. Our landscapers have been working hard to plant flowers, weed the common spaces and trim the branches of our trees to try to keep them healthy. Woodbury Gardens is a great place to live. Let's show our community pride!

Supervisor JOSEPH SALADINO and the Town Board present the

SUMMER REMINDERS

Visit our website at **WoodburyGardens.org**

- ❄ Please note that the LAST Senior Citizen Shopping Bus pickup is July 29th (see previous page).
- ❄ Summer is **nowhere near over**, so PLEASE be mindful of the outdoor temperatures. We've had many days over 90 degrees, and humidity to match, and that just makes for a really hot day. Stay indoors with the air conditioning on to stay cool. If you're A/C is not working properly, CALL A REPAIR COMPANY as soon as possible. These high heat days aren't ending anytime soon, so please get your HVAC unit fixed. The Clubhouse is always open with air conditioning to keep you cool if you need it.
- ❄ And with summer comes family, friends and pets. **PLEASE DON'T WALK YOUR DOG ON PREMISES** and don't forget to bring a poop bag. YOU MUST CLEAN IT UP after your dog is done. It's just common courtesy and keeps our neighborhood looking good.
- ❄ **IMPORTANT REMINDER:** Balcony repairs will be starting very soon. Make sure to listen to any robocalls that are made and read any letters you get in the mail, or at your door. It is very important that we keep everyone safe during this process, so please be attentive to any messages you get.
- ❄ **ATTENTION GIN RUMMY PLAYERS:** Coach Floyd Bank is looking to get a game together with like-minded players. Give him at a call at 516-364-1336.

July / August 2026 Calendar
